## Brown International Academy's Super 3 Research

<b>PLAN</b> First I plan what I will do, and look for what I need-o.	<b>DO</b> Next I use what I have found, and show what I have learned-o.	<b>REVIEW</b> Finally I review my work and make sure it's my best-o.
--	---	--

1. How do you "PLAN" for this research?
2. What must you "Do" for research to be successful?
3. How must you "Review" your work to make sure it is your best?
